“ *Brother Mike(the story teller) Hold a cup of coffee for me when we next get together. Sorry I cannot bring the cookies but I will bring an attentive ear. Save a place for me in the East and we will open Lodge together and have a ball with the unlimited funds. I miss you Brother Mike as a friend as a story teller and as an example. Take care and God bless you and be with you.*

“ *Please accept my comfort and prayers regarding Mike's home going. I know he has really struggled with his health these past few years. My fondest memory of Mike is his involvement at Bay Shore Camp. He did to his little cottage what I always wanted to do. Wish I'd had the chance to know him better.*

“ Dad! What an amazing man you were! You served in the army, chaired church and camp boards, and were an outstanding mason!

But most importantly you were an amazing father. Thank you for adopting Roberta and me! You gave us an amazing life!

I hope you're dancing in Heaven!
