My condolences to Linda and his family. I just found out today of Micheal's passing. We were both born on 6/26 and a year apart. He left with me to go to Florida back in 71 I believe, he was 24 and I was 23. We drove my brothers new Lincoln and towed his boat as well! When we got down to Clearwater the boat still had ice in the back. We had some very good times together but I have not heard from him for quite some time! R.I. P. old friend!
