“ Mike was a special partner to my Mother. They had many fun times together. He appreciated the beauty of nature. He recently told me: "Every day is a good day". He valued life and the time spent with my Mother in his business ventures. We enjoyed receiving A.P.S. Foods boxes with candy and chocolate bars for Christmas and birthdays. Rest in peace, Mike. We will miss you. Becky & Robert Beckley

“ *Mike created some beautiful woodwork. We shall cherish the cabinet he built for us the first Christmas he married my mother Judy. Mike was so full of energy and always so busy. He hated to " waste a day just setting around". Sales were a passion with him and he was always looking for new ideas to attract customers. He liked God's creatures. Manatees were part of his life for a few years. But his latest pet Peeps, a bird mother saved, was his great pal these last years. Mother called him the love of her life and he made her very happy. We shall always be grateful he leaves her with good memories.*
