

## Michael R. Troy

August 27, 1963 - April 19, 2026

It is with a lot of gratitude for the time we shared that I announce the passing of my father, Michael Richard Troy. He left us on April 19, 2026 after a brief battle with cancer. My father was born on August 27, 1963, in Port Huron, Michigan, to his late father, Francis Richard Troy, and his mother, Mary Jane Troy, who survives him.

He married my mother, Judith Rene' Suarez, on October 31, 1986, in Port Huron. When they married, he formally adopted me. He may not have been my biological father, but biology doesn't make a dad. He was the only real father I have ever known, and he stepped into that role completely.

He is also survived by his sister, Michelle Troy-Berberian (Christopher) and their sons Tyler and Ian. He leaves behind my wife, Jillian, and our daughter, Adaline. He loved Adaline immensely, and being a grandfather brought a lot of joy into his life.

If you knew my dad, you knew his work ethic. He was fiercely dedicated to his job and always strived to do things the right way, no matter what the task.

Outside of work, his biggest passion was the Boy Scouts of America. He was deeply involved in scouting, and his dedication to the program went well beyond my own time in it. Even after I achieved the rank of Eagle Scout and moved on from the troop, he stayed active, continuing to guide and mentor younger scouts. That's just the kind of guy he was.

We aren't planning a traditional service currently. Instead, we will be holding a celebration of his life at a later date, where we can share stories, laugh, and

remember him exactly as he would want to be remembered.

Memorial services will be held at a later date.

“ Mike was my 1st love & prom date. We remained friends for a long time. My son Justin & my other son Jonathon both worked with Mike at Taco Bell. My heart is sad but I know one day we will be reunited.
