“ I just found out Mike had passed. I was saddened to hear that. I didn't know Mike personally, but he helped me with an issue we were having with a wheelchair lift I had purchased from his company. Mike went above and beyond to help us. He was so patient, understanding and helpful. I could tell he was a kind and compassionate man.

He made an impression on me and made me feel like there are still good people in the world. My condolences to the family.

“ Mike Woods was a wonderful person in All aspects of life. He taught me alot about my business at our late night meetings after the phone stopped ringing. He never once while I was there mentioned his condition or ownership of the business, and his passion to help people he talked with, was unbelievable. Mike is why I loved my business. Thank You Mike!!!!!!
