“ *Micky was a true friend of our family during our summers in Lexington as long as I can remember. She was best friends with my older sister Margaret and she enjoyed being at the lake with it's many recreational offerings. Her and Tom retired there together and they both took on many duties within the township. She never outwardly complained about her failing health and was always optimistic to be around.*

*She will be dearly missed by everyone whose lives she touched and our grief is lessened knowing she is in a better place. If there's a casino in heaven, she'll be there!*

*Mick and I bowled on the same league for many years in Lexington. We even bowled with the same ball though she was a better bowler than I was. Mick was always kind, patient and soft spoken.*

*When we first bought a cottage on Elmwood & Lakeview, I would see Tom, Mick and other friends laughing, golf carting around or coming home from golf. The neighbors use to hang out together and have a great time.*

*She will be missed. I'm sure she is golfing right now in heaven on a beautiful course.*

*Our prayers are with with you Tom.*
