

Michele L. Carter

April 28, 1971 - December 31, 2021

It is with deep sorrow and heavy hearts that we announce the passing of Michele Lynn Carter (O'Conner), of Algonac. Devoted wife, beloved mother, cherished daughter, Michele was called home to our Lord on Friday, December 31 st , 2021, at the age of 50 years.

Michele is survived by her loving husband, Ed Carter; her beautiful daughters, Marissa Marie Revard, and Seirra Lynn Widdows; beloved mother, Janice Lou Clarke; brothers, Shawn Martin O'Connor and Gary Robert Clarke; sister, Lisa Ann Wyant; along with an endless number of friends, who she always treated just as if they were family. Michele will be lovingly and forever remembered by so many. On June 26th. t 2021 she was married into the Carter family. She was a mother-in-law to 6 children; lovingly named GramMichele by nine grandchildren whom she adored. She is predeceased by her loving father, Marty Michael O'Connor; stepfather, Ronald D. Clarke; brother, Ronnie D. Clarke.

This generous, kind, loving woman has been labeled as "the best hugger"! She was so talented in her arts and crafts. She loved to quilt, crochet, and sew. It was pretty much impossible to have her in your presence and not have photography proof of your get-together! Love was always in her heart and she was always present with her friends and family. Her laugh was not only genuine and loud, but also contagious.

Celebration of Life will be held on Saturday, January 8, 2022. Visitation and Memorial Service will begin at 10:00 am at Woodside Bible Church, 419

Michigan St, Algonac, MI 48001. Followed directly by Prayer Service at 11:00 am. Church services will be streamed on the Woodside Facebook page. Luncheon to follow at 12:30 pm at the Pearl Beach Lions Club, 9590 Phelps Rd, Clay, MI 48001.

The family asks that any Memorial Donations be made in honor of Michele Lynn Carter to The Algonquin

Elementary PTO. The PTO funds go directly to the school and children, including bussing for field trips. As we all know, Michele found pure joy being able to drive all of her cherished students on her "Monkey Bus". We know in our hearts, that if Michele could not drive the children herself; she would at a minimum want to be a passenger. She would love having her name attached to this cause.

Arrangements in care of Jowett Funeral Home - New Haven.

“ *Michele was my daughter's bus driver for 5 years. She loved driving the bus and interacting with all the kids. She was always in a good mood with a smile and hug to give you. Michele was a great woman, bus driver, and friend to so many. She was a great asset to this community. I will continue to say prayers for Ed, Marissa, her other family and friends. She will be missed, but not forgotten.*

“ *Michele my sister recently shared a meme with an old friend Kris. If you got meme's from my sister you'd understand her sense of humor and why I'm sharing this one. It said "At my funeral I want some to stand up and say she didn't even like ya'll" that's because duh, as she might say "I love you all". ... Sharing her love and sense of humor.*

“ Michele was my son's bus driver and I was lucky enough to get to know her. To see first hand her kind and generous heart. And even be the recipient of a few of those hugs she was famous for. She will be missed.

*My condolences to her husband and family,
