“ We offer our deepest condolences to Michele's family and friends. Though we never met her in person, we had the great privilege of getting to know her through Words with Friends, Facetime and my father. Coralie in particular made an immediate connection with her (over talks of chocolate cake, among other things) and we'll remember Michele fondly every time we bake and every time we use the bowl cozies she lovingly made us. Her loss touches us all deeply, but we know her spirit and kindness will live on in all our hearts. May the coming days and weeks offer you peace and warmth. Love, Yvan, Chantal, Antoine and Coralie

“ My brother and I grew up with the D’Arcy family. Michelle and I always had a bond over the good old “Salt Block” days. I can never remember a time when I saw Michelle that she didn’t have a smile on her face and in turn I always smile when I think of her. She had an uncanny sense of humor and always said the most unexpected things. Oh how I will miss her. I draw comfort knowing she is in peace after her long health battle. My sincerest condolences to all of her family and the love of her life, Ray. Thank you for making the last year of her life comfortable and content. Hugs to all❤️

“ *I am so sorry for your loss. She was a very nice person and she always used to come over and visit my mom. I remember her from school and sometimes I see her out dancing with her friends. She always said hi and seemed happy. I know what its like to lose a loved one. Diane Dombrowski*
