“ Michele was a bright star! I loved talking to her when she would call Drake and ask a billion HR questions. LOL She always made my day. Godspeed Michele and all my love to Tom.

“ Michele was such an intelligent, kind and generous person who would and did help anyone with anything. Her warmth, outstanding character, loyalty, talent, unconditional love for her family, and her wittiness will continue to shine in memories of her. Her physical presence will be truly missed; however, her passing during the holiest time of the year, “Bright Week” provides her with immediate acceptance into the Kingdom of Heaven. Michele will not wait at the gates, the gates will open upon her arrival. Perhaps when God called her home, he knew it must be during this time or heaven and earth would hear about her wait time and all those souls with her would know she would advocate for them too! I will truly miss my dearest friend. May God bless your family Michele, you will be truly missed.

“ *To Michele's Family:*

My deepest condolences! Michele was a great lady who often called to keep up to date with what was happening in the Township and was an outspoken advocate for her family and the people of her neighborhood. I, personally, will miss her, and I suspect, so will many on both Miles Streets!

“ *I will miss Michele very much, and our talks over the phone. She had a good ear and a kind heart. I know Michelle enjoyed the times up north and hanging out in the backyard. She loved her grand daughters Bella and Vivian so much and the time she spent with them. She talked of them often, and I enjoyed hearing about them. Michele, we will always remember you on warm days and bright sunshine. Planting some sunflowers for you so that they will reach high in the sky, maybe to meet you! Lots of Love, Theresa Rose*

“ Tom, Micheal, David and family we were so saddened to hear of Michelle’s passing. We have been neighbors of yours for 30 years plus and I always had conversations with Michelle. When I took my dog for a walk or just ran into at the laundromat or in passing by with her car . I never had a chance to meet you or your family but my heart aches for your loss. She spoke often of her grandchildren and how they were just the world to her and how she just lived to take care of her family that made her happy. Please know all of us send thoughts and prayers for her peace and your strength to make it through this difficult time. God speed Michelle we will miss you !!

“ Tom, Mike and David, My heart aches with yours over the loss of you wife and Mom. I last spoke to her last Saturday as she was on her way to grab something to eat. She always lit up when she talked about her grand children and her 2 sons. She always had nice things to say about you too Tom. That's what we talked about that day. I always enjoyed our conversations and how we cared for our family, friends and neighborhood. My wife and Son shed tears for all of you. I considered your Mom my Friend and will miss her too.
