“ I worked with Michele for many years at CCAE. We also played Bunco and Euchre together. We had many conversations about the shenanigans our boys were up to growing up. She had a heart of gold and a contagious laughter. Michele and I lost touch over the years but I was very sad to hear that she recently passed away. Sending prayers to her family during this difficult time.

“ I worked with Michele over 20 years. She was my go to for state reporting for special education. Oh my we had many office meetings pulling our hair out filling out those reports looking for those discrepancies. Many laughs as we cursed the State of Michigan! My heart is broken taken way too young she was a lovely person and I know she loved her family dearly I was honored to know her prayers for all of her family and friends. May she rest in peace.

“ She was my ‘rock’ as the Office Manager at Conner Creek in Warren and we remained in contact over the years. We always hoped to work together once again, but that never happened. I am saddened to hear this awful news...too young! May she rest in peace and may all the memories of her provide joy and a bit of laughter in the years to come.
