“ Michelle was a great friend. All though I hadn't seen her, since we were teens. I remember us having many late night phone conversations. I don't know what it was, some type of connection. I just remember we could talk for hours, about anything. I wish I would have made more of an effort to stay in touch with her over the years. But that didn't happen. I just got in touch with her, Leanne & Kathy on FB. After too many years. I'm glad I had the chance to chat with her. Would have loved to sat & catch up with her. But it wasn't to be. Always thought she was a beautiful person, inside & out. thought about her a lot over the years. I hope she had a good life. I will miss her.
