“ We have fond early memories of Mila as a very bright and kind young lady that loved to write poetry. Love Aunt Sue and Uncle Bill

“ I remember my cousin, Mila always greeting me with a huge hug and wouldn't let me get away when I was young. She and I were both born in May and always found comfort in that similarity. I remember her love for our Grandmother and Grandfather Vaillencourt, and the fact that she never hid her love for our family. Mila and I had more in common than I realized, and I pray that she is at peace now. Your cousin - Matthew.
