“ Moe, I have so many memories so which ones do I want to remember the most? One of my favorite memories is when you and John had the apartment on Oak. We would hang out and just laugh and really spend time together and you would play with my hair. I would fall asleep on your lap after spending the day taking care of the kids AJ and Khyla. I also remember going up to the cabin were I first really got to meet you family. I also remember when you tossed the huge bolder in the puddle and covered Khyla in muddy water when she was about 12 months, when you accidentally scared the tar out of AJ with the hollowed mask and he screamed for about an hr straight, when you would hold Mike on your chest as a baby and fall asleep cradling him, and the trip to the apple orchard with Brandon in kindergarden. My favorite personal memory is of how you would hold me and give me the look that we would always be together. I miss you so much and hope that you have finally found peace and comfort were you no longer have to worry about your health. I will always love you and you will always have a huge part of my heart.

“ *I love that he had a sarcastic humor he was always a blast to hang out with. It was really cool to know that him and I had a common like for cars of all sorts. Seeing that he enjoyed playing video games his family was truly blessed to have him a part of there lives. Pam you couldn't have found a better husband and Micheal and Brandon couldn't have a better father. As I've said always think that he is in a place where is no longer suffering and still able to be there for you when you need it most God bless*
