“ *Our Sincerest Condolences to the family.*

I was deeply saddened to hear this .

Nancy was always positive and wanted mostly.....that happy family! She had indeed.

Our days we shared when she first became ill will always be imbedded deeply in my heart..

As she and Dave went to the health food store to pick up items highly recommended.

Pinning on Pinterest and sending a lil' note to lift both our spirits.....and enjoying the arts n' crafts, we shared. Always a joy.

Loving Dave and her Sons and extended daughters and son along with their beloved grandchildren.....She adored.

A Special Soul-Always, Nancy Dear.

In Sister Love,

Brenda Haas-Hauger and Family

“ I was a “bestie”. I want to share memories but all the ones I can think of our inappropriate to most lol We both shared the same sense of humor. I will keep those close to my heart! To the family I would just like to say: Thank you for allowing me to be a part of her life and death. Nancy will always be a part of my heart and I am so glad I had the opportunity to get to know you all! She lived, she laughed, she loved. She is my warrior. God Bless you all xo
