“ Keith...sorry is such a "short" word for the loss of such a special "Long" lady...Nancy's "to the point" meant we always knew what she had on her mind and we loved her for that...She, Charlie and Shirley are a passing of the ages of that generation and I miss them all...I wish you peace and health my friend...Dick Kaatz

“ Keith, John & Family
I am so sorry to hear of the loss of your Wife, Mother & Grandmother. She is in a much better place now and no longer suffering. She was one tough woman and I always admired her for that and for her out spoken personality. I'll never forget her laughter and her way of making everyone laugh! God bless you all in this difficult time and know you are in my thoughts & prayers. Sally

“ *Grandma could always be counted on to speak the truth, very bluntly! She was so hard working when a job needed to be done. I really admire her for these qualities, and her giving heart. I really loved to see her smile and laugh, and she will be missed by so many.*
