“ I knew Nancy for around 70 years .We had fun together and we were silly young girls hanging together playing jump rope and just being fun loving kids .When we got older we went in different directions but being in touch from time to time .I remember when they had their apartment I would stop with my kids and have coffee with her .She always had the coffee on back then .I think I might of interrupted her house keeping duties sometimes but I hated to leave as I enjoyed our conversations so much .She was soft spoken but was not afraid of airing her opinions and I always listened.Rest in Peace good friend .Will miss you so much .

“ Prayers and hugs to all the family. Nancy was a very special lady to me, whom I knew from my school friendship with her daughter Lynne. She always had a smile and encouraging words whenever I'd see her during my adulthood. The world has lost a beautiful person. See you some day in Heaven Nancy!
