“ I worked with Neil for a few years. We won the opportunity through work to go to Mexico it was mostly business but we had a great time. Neil was a straight to the point take it or leave it kind of guy. I loved that about him. The world lost a great human. I am deeply sorry for his family and friends. Love to you all.

“ I have worked With Neil since 1997. He was always very respectable and polite to everyone he worked with. It has only been the last 5 years that I have been able to work more closely with him. Neil and I enjoyed sharing hot Salsa recipes or Chile or anything else we could find that was hot.. It was just a week before Neals passing I was able to meet his daughter Elizabeth. I seen them both at Myers. I was glad to meet you Elizabeth and I'm so sorry for your loss. I'm praying for you and your family. Neil will be greatly missed. I pray his memory lives on within us. R.I.P my friend Neal....
