“ We will never forget your parents. We dearly loved them both. Your Dad was such a delightful companion, to travel with or to do anything with. He was gentle and caring, and had a great sense of humor. So although we miss them, we are happy they are together again. Please know that our love and prayers are with you and your family as you face the future without them.

“ Nick and I work together at DTE. He was considerate, respectful and always smiling. We were also in the same neighborhood in our early years.

So sorry to hear of his passing. I hope your loving memories of your Dad and Grandpa help you through this tough time.

“ So sorry to hear of Nicks passing. Nick was friend at work and after work.

I was glad that we had a chance to fly to Put in Bay for dinner after work one day so many years ago.

“ It's hard to believe just a couple of weeks ago we were at Big Boys talking about the past, and all our wonderful times when we worked for DTE. Now you are with the Lord and no more pain . Someday I will meet you again in paradise. Little did know but we were born about the same time, mine was April 17, 1943.

**THANK YOU FOR YOUR SERVICE TO OUR COUNTRY!!**

Nick was so likeable and fun to work with. He was the only guy I knew who actually got a real birdie while golfing, or so he said. As we will miss him, may he rest in peace in the arms of his Lord and savior, Jesus.

Nick and I were part of the "Idiots Circle" group that hung around and drove through Powers in the early 60's, great times then. When I went to work at Detroit Edison Saint Clair Plant we reconnected. Nick was and is, one of the all time greats. See ya on the other side brother.

*Thanks so much for the kind words. I thought or had hoped I would have my Dad for a few more years. Losing my Mom about a month before just jus to to hard on him. My parents are both with the Lord now.*
