“ I'm so sorry to hear of Nick's passing. He was a truly fun loving guy who loved his family and had a zest for life. May he rest peacefully as we remember his happiest times.

“ Three of us visited Nick a few weeks ago. We laughed 90% of the time at his endless stories. I write this because Nick was legally blind, drove his side by side in the pond twice, hardly was able to walk. Though all these challenges he still brought laughter to anyone in his presence.
What an example....

“ *So many pictures and memories-these are just a few. We are working on his picture board for his memorial-it is evident that he loved his family, tractors, motorcycles and creating his metal art work-he could create art out of everyday things-his mind was always creating something!*
