“ I remember when we used to go see Anna and you would be there and you always bug us and then you would always take parts off of an scar and wouldn't let us go anywhere and then when you met Margie and brought her to the house I'll never forget that we will always always miss you love you Liza

“ What a great human being. He was always ready to help out. Smart man also. He understood people. But the best part was his dancing ability. He was a gentle dancer not like some men that like to throw you around. Lots of women will miss him on the dance floor. Blessings my dear friend. It was a pleasure to know you. Marsha Gorbutt

“ I was shocked to hear of Nicholas' death. Really looking forward to seeing him in August at our annual Giertz Family Picnic. Both Nick and I enjoyed ballroom dancing, much easier for him to find a dancing partner. This is the way to go, some of our family suffered before passing. I will always remember our good times. Nick you do not need my prayers but I can always use your prayers. Cuz Lou (will miss your teasing).

I met Nick at a dance and from then on we danced together. We have been best friends and dancing buddies for the past 10 yrs. even traveling together including Alaska. It didn't matter where we were, if there was music, we danced. We were known as "The Dancers" at the Moose Lodge in Port Huron. He was a very polite, quiet, giving, and considerate man, but made himself visible by always saying "Hi" and "Goodbye" to everyone. He gave hugs freely. I will miss him terribly.
