“ My FAVORITE MEMORY is coming over after school with Harley and she would make us a plate of big plate of nachos and cream cheese, she was great person, someone i could talk to about anything, and very helpful to me personally growing up. I will miss her.

“ Dear Amanda and family. I'm so sorry for your loss. How hard times like these are to go through. BUT how wonderful to know that she is truly home now with the Father and is well and whole and rejoicing in His presence with so many others of our brothers and sisters! You will see her again because of Jesus! Sending love and hugs to you and continuing to pray for you.
