*I'm so very sad and sorry to hear of Aunt Norma's passing. I think of her often - She has always been so sweet, funny, and loving and I know the world was a brighter place with her in it. Her many years as a kindergarten teacher still inspire me to this day as I teach my middle schoolers... I want to be like the kind, patient teacher she was. I wish I could be there with you tomorrow. I will be praying for all of you in your healing process. I thank God for the time I got to spend with Aunt Norma. I love you all.*
