“ I had the pleasure of spending the last year with Norm Bev and Jeff during this painful sad frustrating loving time of Norm's life! Ive learned through his family that Norm was a handful right from the beginning! Between things like stiches, like over 300 stiches in his arm to sew it back on and doing "normal" boy stuff....his father Byron Moore nicknamed him Stormin Normin! They tell me Norm was a high spirited man who enjoyed having fun with friends and family! Unfortunately I met him when he was already bed ridden! But I saw 1st hand that this man is a treasured gem made from his very own mold! He welcomed me into his home so gracefully and I had the pleasure of giving a hand here and there to help Norm, Bev, and Jeff!! He always through out a funny comment for different happenings! Norm I will miss you dearly in our own little friendship! I am honored that I had the time I had with you! RIP Norm I love you!

“ Norman was our son in law. He loved our daughter Bev very much and showed his love for her. When she was unable to work and was in pain he took good care of her and took her to all her doctor appointments. One of my good memories of Norm was how he loved driving our golf cart around when we lived at the Glen in Caseville. He always called my husband "pops" and they kidded each other a lot. He fought the good fight these last two years and it was Bev's turn to take care of him which she did very well. Rest In Peace Norm. You were a loving son in law and we will miss you.
