“ Orville you were a big part of my life. We were together six years, and we shared a lot of fun times. From snowmobiling in the UP, first time gambling together, all the trips to the lake on the boat and watching you water ski , canoeing. I remember taking you to your first ever concerts. Getting married in Vegas was crazy, we had a lot of fun there, and going on the cruise to the Cayman Islands, Belize, Rotan, Mexico, Honduras. I will ever forget how special that was. We did a whole lot of stuff in a small amount of time. You were a big chapter in my life. I wish to send condolences to your family and especially Tom. He meant a lot to me too.

“ Orville I just heard the news that you had passed, and still in disbelief. Our pool team won't be the same without you. My deepest condolences to your family; rest in peace, my friend.

“ Oh, Orville. You were always so sweet, kind and a tall glass of water. :) I remember the first time I laid eyes on you about 2001! You were working at the scrap yard in Caro sitting in a giant crane and I thought, "wow, that is one fine looking man doing manly shit.." and Then years later (2012) I meet you shooting pool on the coed league. I will never forget the nights you came out to the Outfield and cheered us on for women's league on Tuesdays and helping drive us around in the Toaster!!! (Toaster!!!!!!) lol at the Toaster! Rest peacefully my friend. xxxooo

“ Orville, I will always remember you. I remember when I first met you that you accepted me right away into Joe's life and always made me comfortable. I liked you right away and it didn't take long to love you. You will be deeply missed. Delilah will miss you too. " Where's Orville" she would say whenever she was here. I'll miss you pulling into the driveway after work and tell us your grabbing gears stories and us cracking up. Until we meet again. boom shocka locka😂 love ya Orv. ❤️
