“ I keep coming to this page in disbelief and find myself not being able to type anything. The gravity is heavy and it's hard to believe that you have passed away. My heart is so broken and I don't know what to do. What I can tell you Leroy is that I'm blessed to have known you in this life. I will miss you're sarcasm and whole hearted company. I'm sorry I wasn't able to be there for you. Be assured that we will celebrate your life. I'll never forget you and I will always love you Leroy. Until we meet again, in my memories and heart is where you live.

The emptiness in my heart is letting me know how deeply I loved this man. Thanks for your tribute Paul. Leroy loved my children as his own. He has seen his Saviour Jesus face to face, how beautiful is that? Till we are all together one day, let us not forget what a wonderful heart he had.

“ Papa Leroy! Im going to miss you so much ! I remember when I was little you would always tease me, enough that I would get mad at you haha. And grandma would always tell us "knock it off you two!!" The nights I would come and stay with you and grandma and play uno was always my favorite! There are so many things in the world that will remind me of you with everyday that passes! I love you papa I'm going to miss you!
