“ My deepest condolences to the family. Otto was a wonderful, faithful friend to my parents Don & Evelyn Conley, going out of his way to spend time with my dad after vision loss disrupted his life. After dad passed, Otto continued to be a friend to mom, checking in on her occasionally to make sure she was ok. The last time I saw Otto was July 16, 2018 when he and other dear friends stopped by the ALF where mom lived to wish her a Happy Birthday. I snapped this photo that day. Many thanks for being a good (and feisty!) friend Otto.
