“ *I was back at Dollywood yesterday in Tennessee. Your mom was with me. That's where Uncle Steve and I took your mom and dad. Your mom was nervous about going as they had never been out of the state. But, your mom was sitting on a bench and a butterfly landed on her shoulder. She said that was a sign that everything was going to be alright. And, if course, in Dollywood the entire place is covered in butterflies as that is Dolly Parton's trademark. It was a sweet memory 🦋💕*
