“ I meet Mr. And Mrs. Strassburg when we moved across the street from them back in 1989. They were the best neighbors, parents and friends anyone could ask for! Mrs. Strassburg (Pam) she made me call her in my 20's . " Lisa , you've known me forever! I'm no longer Mrs. Strassburg, I'm Pam! " She told me. To know her and Freddy was such a blessing. She would always make the most wonderful meals and couldn't wait to share her newest "Taste of Home" cookbook! OMG, Lisa you have got to try this new recipe! As a kid playing with her kids, she always shared her love of cooking! Some of my fondest memories are sitting around the table watching her and Freddy prepare dinner for the family! They did this everyday. Their family dynamic was so wonderful! I have so many fond memories with the family! When I moved away to go to college. I would stop by and we would chit chat and catch up on the gossip and she would show me the newest candles she had and I would often purchase them from her. She always found the best stuff! I have to thank her for my love of cooking and teaching me so many tricks for preparing meals. She always had the newest taste of home cookbook that came out weekly. She would read it and put her own twist on it and then share it with me. The Strassburgs 's where my idea of the perfect family. They were the best neighbors and such wonderful friends to everyone that they came in contact with. I am so sad and to hear of her passing. I have such fond memories of all the wonderful that they made my childhood and my adult life. All the rides to school and the trips we went anywhere. Bob seger could always be heard playing on her radio! I will miss you so much. Pam! But I know you are no longer sad or struggling. Give Freddy a big hug for me and thank him for all the wonderful ways that he looked after me as one of his own and Pam as well! You will truly be missed! And even though you are no longer here to speak to, I know that you are at peace and reunited with your one true love! Thank you for all the wonderful that is you! Into the family, I know that I will never feel the grief that you do, but all the wonderful memories I will hold close. RIH Pam.

My mom used to look forward to Pam's calls a couple times a week. And made her laugh and they enjoyed a good friend. You have never heard a bad word about Pam. Everyone loved her. May she rest and peace. Sending thoughts of comfort and peace for the family.
