“ I am very sad to hear that Pam left us way too early to be with our Lord on 10-16-22. Without her hard work, her commitment, her tenacity and her dedication to her family, her career, her co-workers and her friends, I truly believe that we wouldn't have survived through some of the darkest times in both our personal lives and our company's existence. Thank you Pam for taking the chances that you took on our people, when others in this world would not. Thank you for everything that you have done for our myself, my family and our company. We love you Pam and you will be greatly missed.

*Love always,*

*The Osterman family and the team at Selective Industries Inc.*
