“ Pam was a dental hygiene patient of mine.  
I was so saddened to have heard of her passing.  
She was such fun...you could hear her, I should say us, laughing  
throughout the office. I will miss her sweet easy way.  
My condolences on your loss.

“ Mom u have no idea how much i love u n need u. If i could tell u i  
love u n hear u say u love me. If i could hear u say geez u stink like  
smoke i thought u were gonna quit. Or that hat is ugly! Where'd u  
get it? I'm trying to be the strong stubborn bullheaded woman like u.  
I'll never let go. Anyone who makes a post on here like i am. My  
mom could give me hell but i love her so much. Im still gonna have  
my talks with her like always. If i could go back the only thing I'd  
change is telling u i love u more. We weren't like that but we knew  
we love one another. This ain't gonna be an easy road. I know what  
my mom wanted. I'm gonna do all i can in this world that she  
wanted. I miss u so much already mom n i love u so much. I know  
between myself my kids n my grandkids n of course the cats. You're  
with us. My cat tiger. My dog lady. The brother i never met. Gramps.  
Give em love for me. I love u mom!!
