

## Patricia D. Colo

March 12, 1949 - April 1, 2025

It is with heavy hearts that we announce the passing of Patricia Colo, age 76, who peacefully passed away on April 1, 2025. A beloved mother, grandmother, and friend, she will be deeply missed by all who had the privilege of knowing her.

Pat was a devoted mother to her two sons, Ryan Champion (Carrie McCarty) and Darrin (Melissa) Champion, and a proud grandmother to her 6 grandchildren, Brendan (Diana) Champion, Braylon Champion, Allison Champion, Samantha Champion, Brandon (Abby) Brunsman, and Lauryn Brunsman. She also held Mac and Janie Ferrone dear to her heart. Her family was her greatest joy, and her love for them was boundless. She found endless happiness in watching her grandchildren grow and always had a story or a piece of advice to offer them, rooted in her wisdom and life experiences.

In addition to her cherished family, Pat was the proud companion to her beloved pet, Carmella, who brought her much comfort and joy throughout the years. Their bond was a testament to her compassionate heart and ability to care deeply for those she loved, whether two-legged or four.

Pat was known for her kindness, generosity, and unwavering strength. Her home was a place of warmth, laughter, meatballs and love. She welcomed everyone with open arms, had a spirit that touched everyone she met, and her legacy will live on in the hearts of those she leaves behind.

A celebration of life will be held to honor her on May 18, 2025, at Tina's Country House and Gardens from 12:00-3:00pm. In lieu of flowers, donations

may be made to the Chesterfield Library.

She will forever be remembered and deeply missed. May she rest in peace.

Arrangements in care of Jowett Funeral Home- New Haven.

*Pat shared her love of her family with me every conversation we had. My heart goes out to all of you as there is no greater love or greater loss than a family member. I have been friends with Pat for over 60 years. She was a big part of my family, a big part of my heart and a big part of our group that shared so many memories with each other. Til we meet again. I will miss Pat tremendously*

*In my mind, Pat was my best friend, especially the last couple of years. We spoke nearly every day and loved having little adventures together. She was always game for something, like going to TJ MAXX, estate sales, volunteering at McLaren hospital, happy hours, coffee hours or coming to my garage parties and driveway parties with our other friends. Especially going to the library! I really loved her and our time together. My husband will miss her, also.*

*Pat will be greatly missed. I was part of her "friend family" coffee and dinner get togethers, birthday parties, pizza and bingo together, Tuesday movies, and shared in her patio parties and other activities. She was always ready to go, whatever the activity. She loved her family and grandchildren so much and her little Carmella. She is missed 💕*
