

Patricia L. Curnutt

March 25, 1928 - January 1, 2021

Pat and Roy” Curnutt passed away recently - Roy on October 10, 2020 and Pat on January 1, 2021. He was 96 and she was 92. For 71 years of their lives they were together as husband and wife, raising five children who blessed them with a dozen grandchildren and 5 great-grandchildren. In 1949, Pat and Roy met while working at Michigan Bell in Detroit. He was a technician and she was an Operator. Within a year they were married. Roy stayed on at Bell until he retired in 1985. Those years encompassed the change from mechanical to electronic switching systems for phone service. For Roy, that meant keeping up with the ever-changing technology and making it work for the customers. Pat’s career with “Ma Bell” ended when she became pregnant with her first child – yes, in those days it was legal to fire a woman for being pregnant. Pat went on to be a “Lunchroom Monitor” for a generation of kids in St. Clair Shores schools. Decades later she was still being approached by these kids (now adults) with a joyful “Ma!” and a warm hug. Pat and Roy leave behind sons David and John and daughters Cathy (Gill) and Susan (Butler). They were preceded in death by their son, Michael.

A memorial service will be held at a later date.
