“ *Planning a special trip from Arizona to Michigan to show up at Aunt Pat’s doorstep to surprise her with my 7 month old baby. It was one of the best days seeing her light up when she got to meet Hudson. She never stopped talking about him and enjoying all the pictures and videos I’d share with her over the next year and a half. The morning she passed I played videos of Hudson laughing and talking so she could hear it before she left this world. It’s such a sweet memory I’ll carry with me now.* ”
