I remember Patty fondly as part of the gang growing up in the Pennsylvania/15th Street area of Marysville. Summers, after chores like snapping peas, we would have games of dodgeball or Red Rover in their backyard or tree tag at the Curley's. During school, we would walk to school together until I moved to the other side of the school during junior high. As we were in different grades, keeping in touch did not happen. We'll be forever young in our memories. God bless you and your family. Belinda McClellan Suszynski

“ *Patti was such a sweetheart. She made the best taco salad and other delicious dishes and then would have Ted bring something to us at the Marysville Service Center to enjoy. My sympathy and prayers for Ted and the entire Edie family.*
