“ I have been besties with Denise for 40 years which brings mom into the mix. We would try to embarrass her at stores by doing ridiculous things. She always handled it like a mom would, with the ‘ mom look’ and the ‘ I’m never taking you anywhere ever again” talk. I will miss hasseling her, her facial expressions, and the love she has for all her children. Her and my mom are having a chat now and watching over us. Rest well mom. You earned it! Love you so very much

“ *I send sincere condolences to Pat's family. Pat and I worked together back in 1970's. She was a very kind person and a pleasure to work with. Little did I know, I would meet Pat again at our neighborhood watch meeting a few years ago. It was good to see her again. May you stay strong and cherish the good memories of Pat.*
