

Patricia Hall

August 31, 1935 - August 1, 2023

Patricia was born August 31, 1935, in a poor district of Detroit, then known as Paradise Valley. The family had limited means, but Patricia and her brother Edgar were taught at an early age the importance of faith, education and community services by their mother, Willa and grandmother, Cennie. Patricia began her professional career in 1962, when she graduated with a diploma from the Licensed Practical Nurse program at Henry Ford Hospital. For the next 55 years, she worked diligently as a community health nurse, while advancing her knowledge and expertise. First earning an Associate Registered Nursing degree, followed by a Bachelor of Science degree and ultimately a master's degree in health management from Central Michigan University. As a professional woman faced with circumstances which rendered her a single parent, Patricia faced many challenges. She met these obstacles with determination and an unwavering faith. During the final two years of her life, Patricia fought a brave battle against cancer, which she met with her usual focus and determination. She remained a vital force in her family and church until the illness prevailed during the final three months of her life. Patricia is survived by her children; Myra Lynn and Roderick, grandchildren; Myra II, Tabinda, Kali, Tavion and Royce and sister-in-law, Myla. Patricia was preceded in death by her beloved brother, Edgar. His legacy lives on through his four children and eight grandchildren. A testament to the values taught many decades ago in Paradise Valley and taken to heart throughout a lifetime.

May Patricia rest in peace, set free in the hearts of the many who loved and admired her, this phase of her journey is completed.
