“ *Patty was a very nice neighbor, and so funny! Great sense of humor. She really choked me up one day a few months ago, she gave me a diamond art picture of Jesus! I never seen anything like it. It's all these little glossy colored half moon diamonds for a better term, all lined up to make a picture. Thousands of them. It was a big picture and beautiful. Really touched my heart. Thank you Patty! I pray you are with Jesus and making Him laugh too! Peace to the family!* ”

“ *Patty always brought a pretty smile and wonderful attitude to all. I was so lucky to have Patty and Craig as neighbors! Craig gave Patty the most wonderful Birthday party last year she was really enjoying herself. Patty surprised me one day with this beautiful picture she hand made with tiny individual crystals! I will treasure it forever. Heaven has a new angel 😇. Love Crystalle Kalich* ”
