“ *I met Pat in Diabetes Chatroom 1 on yahoo. I remember pulling all night chats with her and a few others cutting up, and trying not to wake up John or my husband. Pat always took the time to talk to me if I was down or bored, she became my big sister in a way. Her favorite thing to do around Christmas, was to give my granddaughter a hard time about eating her peanutbutter fudge back when Shyasha was only 3 years old. John, Sherry and Wendy please know that she was loved by so many and will never be forgotten. She touched so many lives. Prayers and love to all. Kandy and Jim Fraedrich aka Fritz and The Bear.*
