“ *Words cannot express how I feel.
I will miss you terribly. You were a true friend, my sister by proxy, my confidante, and back in the day my partner in mischief.
Now that you can, Take a deep breath and fly with the angels!*

“ So many memories over the past 52 years. From when we 1st meant, to being each others Maid of Honors at our weddings, to having our babies, to our children getting married, to having Grandchildren, to supporting each other thru all the years. We could go a while without talking, then just pick up where we left off. I will miss our long talks and my dearest friend. My heart is broken.
