“ *My dear sister Patricia, you will always be in my heart. You have made so many lives better because you were there for them. You lived a full, enriched life with seven children and many grandchildren and great grandchildren that will carry on your love of life and will continue to be a tribute to you. I remember a story you liked to tell me about being quite upset while babysitting for me. It seems my dear sister pinned my poor hiney to the cloth diaper while changing me. Being distraught she called her boss, the pharmacist, to ask what she should do.....he told her to calm herself, unpin me, fix the diaper and all would heal on its own. Thank you Pat for always being there for me. Love you and miss you already.*

“ *I will miss my mom forever...she was the backbone of our family....Mom was always there for us she was all about family. I will remember our Sunday dinners at their house...full of grandkids and filled with laughter. And of course we adults would play cards to the wee hours of the night.I'm glad her pain is gone and she's with Dad...it's what she wanted..Love you Mom...R.I.P.*
