“ Thank you all for your prayers and wonderful memories you have all shared of my Mother! I miss her so much and my life will never be the same without her. My mother was my ROCK and was there for me through all the ups and downs in my life. I am so blessed to have had a mother that was so selfless, loving and supportive. She was a wonderful grandmother to both John and Lauren and I do not know how I could of raised them without all her help. I know she is now an angel in heaven and is with her mother, cousins, aunts and uncles and that I will see her again. Until then I hold all the memories of her close to my heart and pray every day that we meet again in heaven! God bless you mom, I love and miss you!

“ Cheryle, Kelly, Chris and Johnna,
Your mom was such a special lady, she was strong, capable and kind at heart. She was the kind of person that would jump right in and help out, she was a "doer". She just didn't want a fuss made over her for helping! The love all of you girls share for each other is a testament to her devotion as a mother and grandmother. She truly was the Matriarch of your family. Her daughters are strong, loving, expressive and hilarious! All wonderful qualities she passed on. Your house was always so much fun and filled with love, and excitement. She helped out our family at a difficult time and did it with generosity and graciousness.
To me, Aunt Pat, will always be an awesome aunt and I'm honored she was my Godmother ;-)
I know this is a difficult time for all of you, I hope you can find strength in everyones kind words. She did her earthly job well, may she find rest and peace in heaven.
Love, Gina

“ Mom,
I will miss you more than words can express. You were my best friend, my confidant, my rock. You were always there for everyone, even up to the end. You loved your family and especially the grandchildren and great grandchildren with all your heart. I only wish I could talk to you one more time, hug you, and tell you how much I love you. But, I know you know how much you were loved. You were strong, truthful and determined but your body just got tired and your time was up here on this earth. Please watch over us all until we see you again. A mother's love will never die. Rest well my beautiful mom.

my dear aunt Patty.....what a beautiful sole! she was an inspiration to me.....I can remember when I was 20 or so [forty years ago].....I was working on towboats here on the three rivers of Pittsburgh, Pa.....I was off due to a coal strike.....my mom ask me what I was going to do.... I said I'm going on a road trip. She said were are you going.....I said to Kansas..... why don't you go see your aunt Patty & the kids I called aunt Pattyshe said come on up {our family had many vacations with aunt patty and the girls in Michigan and a couple times in Boston} I arrived at her house in Michigan I stayed at least a week She asked me when do you have to go back? I called my port captain back home.....he told there is no end to the coal strike insite.....so I told aunt Patty I have time on my hands.....she said lets go see the Boston folks.....I said sure so we went to Boston through Canada. We stayed a couple of days we both had wonderful time seeing our other relatives.....from there I drove aunt Patty to my parents house in Whitaker, pa {close to Homestead, pa} we stayed there a couple of days and the I drove her back home. I had to turn right around because the strike was over and I knew that all deckhands would be called back to work.....the time we shared on the trip [as my mother would always refer to years later] was very special to me and I will never be able to replace that experience!....I have used all the information she gave on "the trip" to get me through my entire life! your mom was were wise and she knew how to impart her wisdom to you, so you got wiser by accident! She in my eyes will be surely missed,.....she was definitely one of those angels among us we hear so much about.

I WILL PRAY THAT GOD CAN HOLD YOUR FAMILY IN THE PALM OF HIS HAND SO THAT HEALING CAN BEGAIN!

I find much peace reading the KING JAMES BIBLE go to JOHN 14:1>4
