*My moms laugh was priceless! She was one of those people, if you were somewhere that you had to be quiet you didnt sit next to my mom. She was always ready for a good laugh. When she had her girls around her it was always laughter and cutting up. I love you mom! I wish it didnt have to happen like this but God has his plan! My world sits a little differently now. I love and miss you mom but I will see you again!*
