“ Back in the day when Pat lived on Richmond Road growing up, as young kids we would play with the other kids in the neighborhood (Casey's, McPhersons, Kinney's, and more) and sit on the fence at the family home and watch the horses or be at someone's house listening to music. My condolences to the family and friends of Patrick Frame. May he rest in peace.

“ *I moved in to Sutton Farms condos 10 years ago and met Pat he was always doing something to improve our property. He was always very nice to me. After a few years he explained that a lot of people in our community voted me on the board. We worked together to help improve things right up until he couldn't do it any more. My heart goes out to his son and sweet wife Monica. May God wrap his loving arms around them. Rest in peace my friend Becky Th-uot*
