“ *As a cousin Patrick never knew I have no actually memories of
interaction with him, but for the sake of the child he was and his
beloved mother Elaine I want to offer my prayers and condolences
to the entire family. It is a truth that a family as large as the Hurketts
begat many offspring who through the years never saw each other
except at funerals and then with no fraternization is sad. We are all
simply names in a genealogical list and not the strong spiritual bond
we should have had. Abbie I know well, and Susie I held as an
infant but Patrick I wish I had had the privilege of knowing. God
bless you all and know that grief can be shared even by those you
do not know.*
