“ Paul Boska was a police officer through! He enjoyed the job and I loved to work with him knowing that if you also were professional and cared he would accept you and work together well! He also had a great sense of humor for which I stimulated at times!

“ I am saddened at this news. My deepest sympathy to Paul's family. During my first bump my rookie year on afternoon shift, we used to get paired up frequently. We worked well together; he knew the job and he was willing to share his knowledge with a "new guy" and I'll always appreciate that. I learned much from him. Those memories go way back and had a real impact. Paul was a good man with a unique sense of humor that was especially appreciated by those close to him. It was an honor to know and work with him. God's peace. Gerry Scherlinck

“ Sorry for your loss. Paul was a great guy to work with. He worked with me at Athens after he retired. The school had Hat Day during spirit week and he wore his military helmet that day. The kids didn't know what to think, it was great fun. Miss you Paul, Mark Owczarzak.
