“ Alan and I will never forget his pleasant demeanor and his beautiful smile! He was always smiling and filled with goodness because he walked with the Lord, Jesus and that was obvious! We also will never forget when he and Connie were in Ruby at a garage sale and asked where we lived. To our surprise, they pulled in with a beautiful antique car he won at a raffle! We just so happened to be celebrating Charles Hastings 80th Birthday. They celebrated the day with us and it was just such a perfect day to remember! That was in 2007, we had 8 week old Golden Retrievers running around and kept one of the pups, Jewel, who is 13 now! That was a great memory of John Paul Hastings! Alan and I will miss him dearly, but sure to see him again in eternity! XXOO. Alan and Julie Hastings
