“ I'm a friend of Paul's from Cutting Edge also. I had to take a week off and came in this morning to work out. I immediately noticed Paul wasn't there and Paul is never not there, so I went over to our friend Jim to joke about why Paul wasn't there and was very saddened to learn of his death.

Paul was everybody's pal at Cutting Edge, always coming over to say Hi and chat: " did you hear the one about the..." or "did you see on the news about the...(often something about Detroit politics, he was keenly interested in the scandals)..."

We will miss his smile, his humor and his wave.
