“ *Paul was the type of out-going, personable, positive, enthusiastic, lovable characters of which the world could use more. From knowing Paul from grade school at Mt. Summit through Ball State he was always the life of the party, a wonderful friend, classmate, and teammate. Paul seemed to never meet a stranger, and was a friend to all. The world is definitely a lesser place without Paul amongst us, but we're all better people for having had him with us at some point in our lives. Paul will live on in the fond memories we have of him and for his family may God keep you close and help you through these difficult times, and may the memories of Paul warm your hearts for years to come. May God bless.*

“ *Where do I begin? Grade school? High school? Sports? Paul was a friend that you just counted on. Was always there. Thick and thin. Good and well..let's just all good for now hahaha. Let's go Paul and he would answer where and when. Just a overall true friend. While we went our separate ways through life, we still had that connection grade school, high school and so on. See you on the side my friend.*
