“ Sorry we cannot make it today for your celebration of life that has touched so many people. We where not the closet of friends but friends none the less. From our days playing little league baseball to just hanging out having a beer I will always remember you as a Friend. RIP and Go Blue!

“ *Paulie. You will always hold a special place in my heart. You were there for me since way back when I was 19 and my parents were going thru a divorce. You always knew what to say to make it a little easier and you were always there when I needed a hug or shoulder to cry on. Thank you for sharing your love for the outdoors with me, I'll always remember camping in Cass City and fun times spent at the house on Henrietta. My family, even as far back as my grandparents and as recent as my grown kids always loved you and thought the world of you. I know you're pain free and spending time with your parents again. May you rest in peace my great friend.*
