“ So sorry to hear of Paul's passing. Super nice guy. I first met him in the late 90's when I joined the North Oakland Mopar Muscle Car Club. Paul was always willing to help with any car related questions that I had. My deepest sympathy to his family. RIP my Mopar Buddy!

“ Condolences to all of Paul's family and friends! What a wonderful man we all lost. I worked with Paul at SRT and he was always extremely helpful in assisting to get our projects done. And Paul always had great stories to share about personal car builds, the build of his Plymouth Gasser and talking about musclecars. I enjoyed stopping by on Hemi Day in a D170 to see him during his retirement. Thoughts and prayers are with the family.
